

A Dream Within Me

music and lyrics by
R Tom Sutton

con calore

5

I have a dream that lies deep with-in me, guid-ing me on through the
What are your dreams that you hope and long for, in your minds eye can you
Dreams fill our lives with a joy and pur-pose. All great suc-cess start-ed

The first system of the vocal entry begins at measure 5. It features a vocal line with lyrics and a piano accompaniment. The piano part continues with a steady eighth-note pattern in the right hand and a more active bass line.

9

paths un-known. I have a dream that gives me a vi-sion; giv-ing me strength in the
see them now? Who would you be like and what could you do? Gath-er a strength that's be
with a dream. Dreams lift us up-ward and car-ry us on-ward, on through the tri-als of

The second system of the vocal entry begins at measure 9. The vocal line continues with the lyrics, and the piano accompaniment provides a consistent harmonic and rhythmic support.

13

days of trial. I have a dream, we must have a dream to guide us to our stars.
yond your own. Take time to dream, then ful-fill your dreams. Go find out who you are.
faith we face. Dream, oh let's dream, we must have a dream to guide us to our star.

The third system of the vocal entry begins at measure 13. The vocal line concludes the phrase, and the piano accompaniment continues with the same rhythmic and harmonic texture.

18

repeat 1st time only

Go, dream your dreams, fol - low your dreams. Keep them a-live and

22

burn - ing with-in. Go sail the o - ceans, go climb the moun - tains, Soar thru the sky as on

26

eag - les wings. Reach for the high - est that is with - in you.

29

To Coda *D.S. al Coda*

Fol - low your dreams to the stars.

32

Coda

Fol - low your dreams to the stars.
